Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest the combination of elements as recited in the independent claims. Specifically, the prior art of record does not teach:

An information recording medium comprising at least advanced VAT information for managing a relationship between virtual addresses each indicating an address in a virtual address space and logical addresses each indicating an address in a logical address space recorded in the advanced VAT structure area, the advanced VAT information indicating a file structure which is indispensable for searching all files recorded in the recording medium.

The dependent claims being definite, further limiting and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
